

CTSuite

THE EVOLUTION OF CREATIVE MANAGEMENT

WHAT IF:

- You were able to get your ad in front of your customer faster?
 - Your video and audio ad delivery and traffic could be streamlined and automated?
 - You were able to de-risk usage rights?
 - Your reporting across destinations, campaigns, and channels was turnkey?
- All while saving time and money?**

MEET AD MANAGEMENT PLATFORM

The first truly centralized creative management platform that WILL:

- Get your ads in front of your customers faster
- Manage usage rights and eliminate fines
- Unify media and creative data, automating traffic and delivery
- Deliver real-time reporting with 100% accuracy
- Saves time AND money

AUTOMATION

>50% reduction in time spent on operational processes

CONTROL

All partners collaborating in a single platform

VISIBILITY & ACCURACY
